

Three Services in One!

BNA's HR Corporate Suite I

Find answers quicker than ever with this new, cost-effective Web-based combination package. The *HR Corporate Suite* delivers expert guidance and strategic insight on topics such as HR cost control, organizational planning, state information, and more.

Five-Star Quality in One!

- ★ **One broad-based solution:** find the information you need—across multiple areas and job responsibilities—in one shared location.
- ★ **One go-to source:** excellent for larger companies with many locations.
- ★ **One price:** ask about discounted price packages to best suit your needs.
- ★ **One username and password:** no more time lost trying to remember!
- ★ **One invoice:** saves administrative time, so you can concentrate on more important things.

1 Human Resources Library — Most Complete Resource

- Single source for HR reference needs
- Fast answers to 2,400 HR questions
- HR Policy Handbook that is easily customizable
- State law summaries, federal laws and regulations
