

Four Services in One!

BNA's HR Corporate Suite IV

Find answers quicker than ever with this new, cost-effective Web-based combination package. The **HR Corporate Suite** delivers expert guidance on HR, compensation, and payroll-related topics such as organizational planning, setting and managing compensation, wages and hours law, state information, and more.

- ★ **One broad-based solution:** find the answers you need—across multiple areas and job responsibilities—in one shared location.

Five-Star Quality in One!

- ★ **One go-to source:** excellent for larger companies with many locations.
- ★ **One price:** ask about discounted price packages to best suit your needs.
- ★ **One username and password!**
- ★ **One invoice:** saves administrative time, so you can concentrate on more important things.
