

Have the **POWER** to find

LABOR RELATIONS facts quickly

and use them with confidence,

to strengthen everything from

CONTRACT NEGOTIATIONS to

STRATEGIC PLANNING EFFORTS.

Workforce Relations Packages give you the information you need to get results. The cornerstone reference products and research services from BNA PLUS help you find exactly what you're looking for — fast. Choose the **Workforce Relations Package** to fit your needs so you can:

- Reach across industries to spotlight the latest trends in workforce relations.
- Find quick, reliable answers to your questions about union election results, unfair labor practice charges, strikes or lockouts, union contracts, or changes in contracts.
- Use our unique labor databases which allow you to search by organization, union and local number, industry, state and city, time period, and number of employees, to get exactly the labor relations data you need at any time.
- Compare provisions from contracts within an industry.
- Obtain a picture of a union's financial situation.
- Identify facts and trends affecting organizing and contract negotiation efforts.
- Review NLRB election results by union, industry, state, and bargaining unit size.
- Compare historical and current earnings figures for union versus non-union workers by state. Review employment-related census information compiled in one convenient report.

Workforce Relations Packages

...include the following tools to help you zero in on the latest trends in labor relations.

- Have direct access to five union and labor information databases with **BNA Labor PLUS**. You can find out, for example, the number of NLRB elections won by the Teamsters in 2003. Subscribers have around-the-clock access to these databases:
 - NLRB Elections
 - Work Stoppages
 - Unfair Labor Practice Charges
 - Contract Listings
 - Contract Settlement Summaries

You can search by company, union and local number, industry, state and city, time period, number of employees. Find out about recently negotiated settlements, the organizing success of a particular union, who has a current contract, results of a recent NLRB election, how many work stoppages occurred in a state over the past ten years, and more!

BNA Labor PLUS is available two ways. Transactional users are billed for searches they perform, while flat rate users can do unlimited searching.

Union Membership and Earnings Data Book: Compilations from the Current Population Survey

This book features information from the Census Bureau's monthly household survey, including current and historical data covering:

- State and major metropolitan areas
- Public and private-sector workers
- Manufacturing and nonmanufacturing workers, industries, occupations, and demographic groups

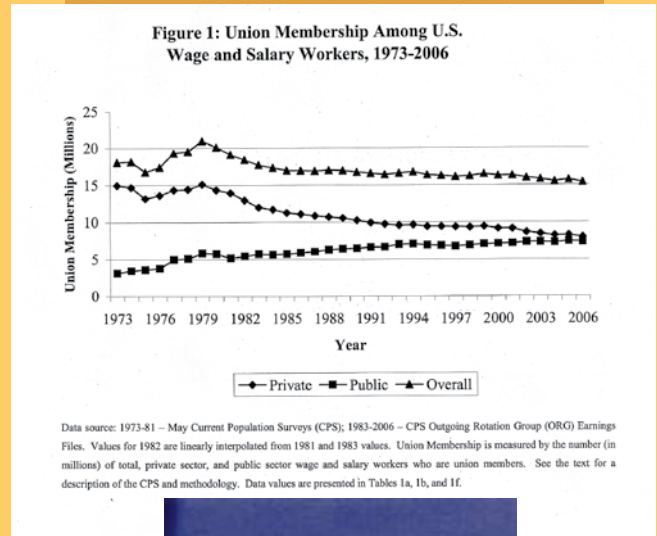

Data are presented in easy-to-read tables so you can:

- Analyze earnings, employment, and union membership at national, state, and metropolitan levels
- Profile worker characteristics nationwide for a broad variety of industries and occupations
- Anticipate trends in union membership
- Compare current earnings with historical figures converted to 2006 dollars

A supplement, **Additional Earnings and Union Membership Data**, provides further information, including:

- A U.S. map illustrating union membership and union density by state
- Historical membership numbers for specific unions
- Elections and union wins by state

Print report, published annually.

Source Book on Collective Bargaining: Wages, Benefits and Other Contract Issues.

Whether you're preparing for contract negotiations or just want a big-picture perspective on major developments affecting labor relations, it's essential to have the latest, most reliable data. This quick, easy-to-use reference provides a wealth of current and historical statistics, including:

- Negotiated wage increases
- Employee benefit costs
- CPI tables and other economic releases
- Union membership and wage data

Benefit from one-stop access to this valuable information:

- Major contracts expiring in the current year
- Employer bargaining objectives
- Economic and labor outlook
- Major developments in the labor arena
- Contract arbitration scenarios
- Summaries of significant NLRB and court decisions
- Studies and reports

Print report, published annually.

NLRB Election Statistics

This semi-annual report summarizes union organizing activities. The report includes an executive summary and tables summarizing election results by major union affiliation, industry, bargaining unit, size, and state. The text and tables are based on election results from the National Labor Relations Board headquarters and regional offices.

Print report, published semi-annually.

Some **Workforce Relations Packages** also include your choice of collective bargaining agreements and/or union financial documents (LMs), constitutions or bylaws.

Get in-depth focus in the workforce relations area with these reports, documents and 24/7 access to our exclusive labor databases from BNA — a source you know and trust.

Contact your BNA account representative to discuss the best **Workforce Relations Package** for you at 800-372-1033, option 2.
