BNA Tax Management Content on Checkpoint®

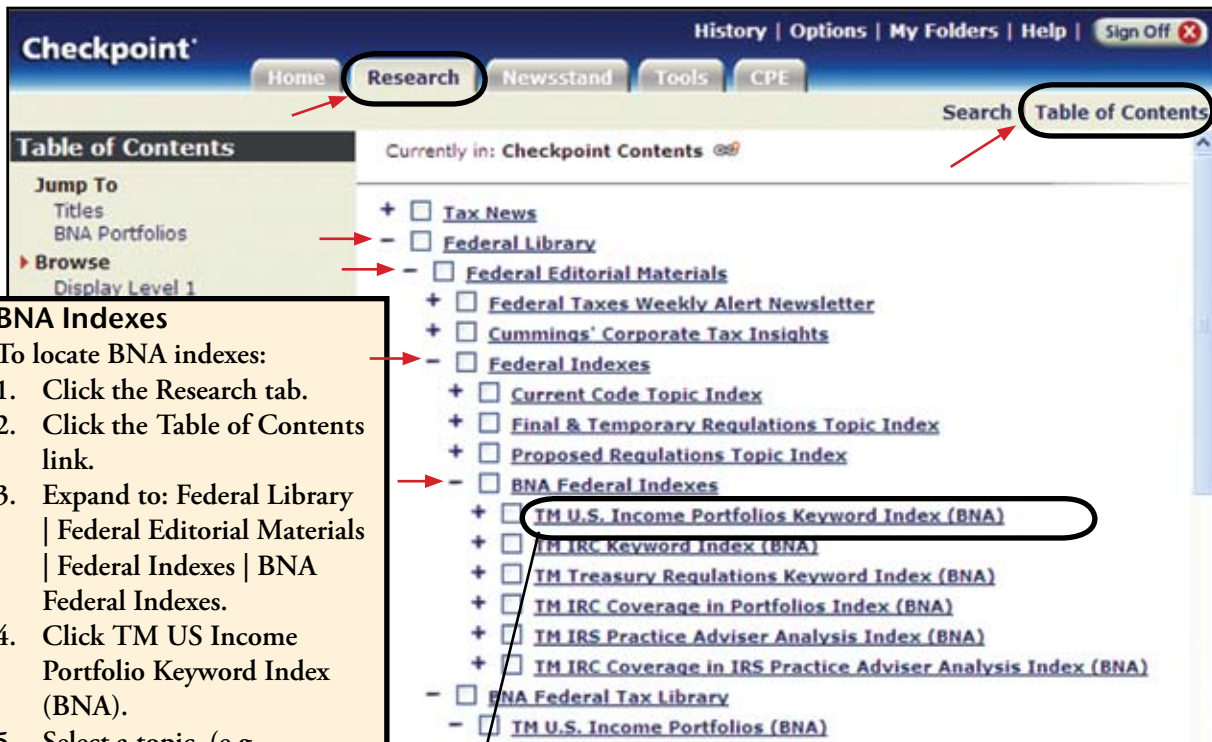

BNA Information and Expert Analysis is now available on Checkpoint. BNA offers the guidance of the world's leading tax authorities across a broad range of federal, state, estate, and foreign taxation topics. BNA also provides the kind of expert news coverage that keeps you confidently abreast of every tax development, and complements the Analysis and news services on Checkpoint.

BNA content, including the indexes, is integrated throughout the Checkpoint platform. Begin research on the Checkpoint Home Page and click the **Research** tab.

Locate Information Using BNA Indexes

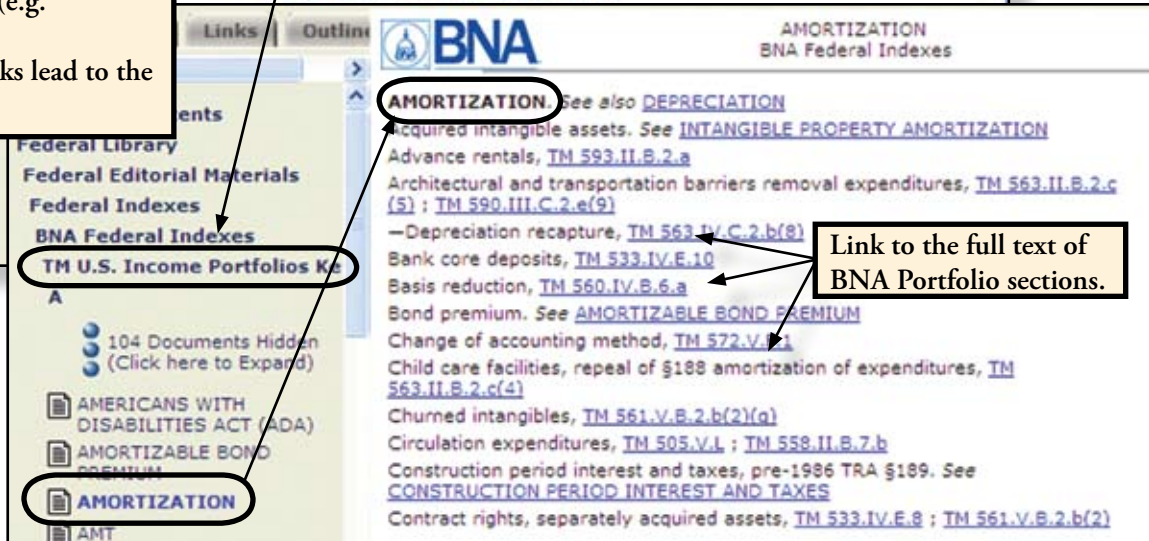

BNA Indexes are compiled by a dedicated legal staff of subject specialists. The indexes are an excellent resource for quickly locating relevant information by topic or code section and link to related Checkpoint information.

BNA Indexes

To locate BNA indexes:

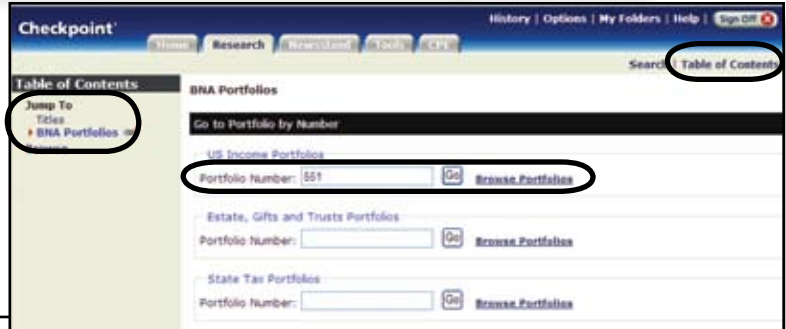

1. Click the Research tab.
2. Click the Table of Contents link.
3. Expand to: Federal Library | Federal Editorial Materials | Federal Indexes | BNA Federal Indexes.
4. Click TM US Income Portfolio Keyword Index (BNA).
5. Select a topic, (e.g. Amortization).
6. Underlined links lead to the full text.

Locate a Specific Portfolio and Working Papers

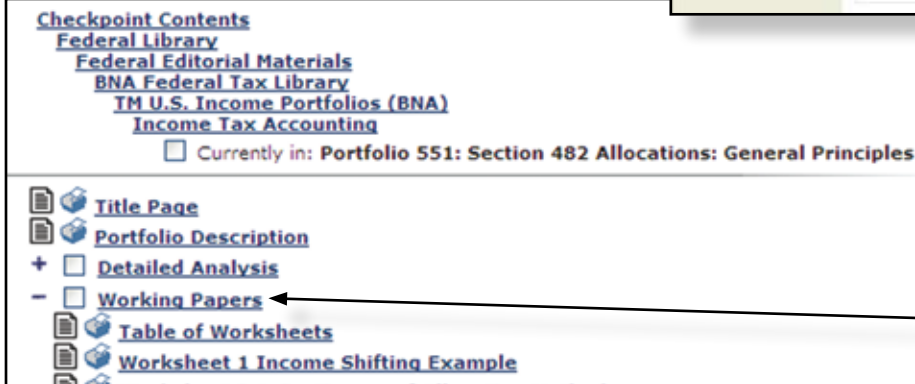

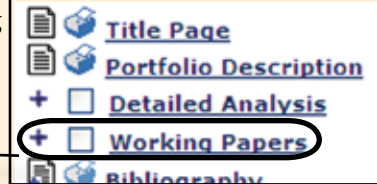

Specific Portfolio

1. On the top right hand corner click **Table of Contents**.
2. Click **BNA Portfolios** under **Jump To**.
3. Enter a portfolio number, or Browse to the specific Portfolio.
4. Click **Go**.
5. Click the **+** to display the level of content.

Working Papers

The list of available working papers in each portfolio is displayed at the end of the listing for each portfolio.

Locate BNA Client or Development Letters

1. On the top right hand corner click **Table of Contents**.
2. Click **Federal Library** | **Federal Editorial Materials**.
3. Expand to **BNA Federal Tax Library** | **TM Client Development or Explanatory Letters (BNA)**.

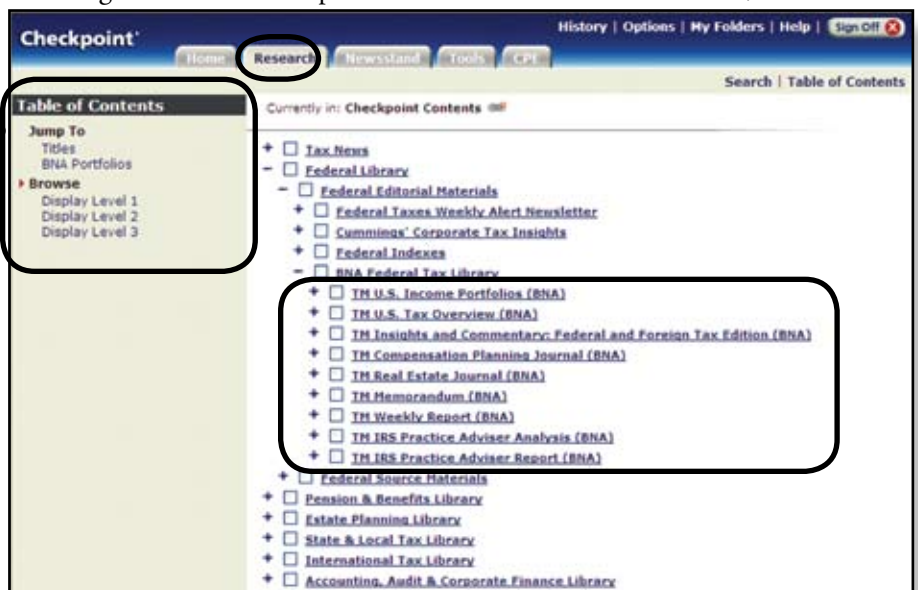

Locate News & Developments

BNA provides current news needed to stay current on significant tax developments and issues in the U.S. Income, Estates Gifts & Trusts, State, International and Accounting areas.

View the Table of Contents on the Research tab to browse BNA current awareness publications by library.

For critical thinking on the new and emerging areas of tax, do not miss BNA Insights & Commentary. This collection of articles is written by leading practitioners in the field. Articles are posted weekly and cover the areas of compensation; real estate; international tax issues; procedure; estates, gifts & trusts, corporate income, partnerships & other pass-through entities, and more.

For **COMPLIMENTARY** Research Help or Training, call BNA Training and Product Support at 800-372-1033 (8:30 AM - 7:00 PM EST). Press option 5.
