

BNA's International HR Decision Support Network

The Global Solution for HR Professionals

BNA's resources will change the way you do business.

BNA's International HR Decision Support Network

The Global Solution for HR Professionals

BNA's International HR Decision Support Network is a new membership-based service that provides solutions for your toughest human resource challenges. The service provides an integrated approach that supports and complements your global HR efforts. Get vital support, training, and answers relevant to your entire department—without leaving your office.

Your membership gives you custom research answers, strategic white papers, webinars on hot topics around the globe, vertical search technology, and a collection of content covering the countries in which your business operates.

As a member of *International HR Decision Support Network*, you'll gain access to an array of custom resources:

Custom Research

Have questions? BNA invites you into an open dialogue about your most pressing concerns. You'll get 12 custom research answers per year in the form of a 3-5 page report within five business days of your request. You'll also learn from other member questions through our shared network of Q&A's.

Vertical Search

Take full advantage of BNA's new state-of-the-art vertical search technology! We make it easy for you to create tailored searches of BNA-vetted Web content. Sort your results by country, content-type, and much more. Sites are reviewed and added regularly as part of your membership.

Country Primers

Turn to BNA for an in-depth review of HR policies in the countries where your business operates, including the EU and China. Topics covered include benefits, compensation, hiring, labor relations, nondiscrimination/diversity, health and safety, and termination.

Audioconferences/ Webinars

Attend up to 2 live events per month! Every 90 minute webinar includes dynamic presentations from top speakers and helpful Q&A sessions. An archive of past events is available for you to listen to as often as you like. HRCI Credits available!

International HR Decision Support Network

is designed to support global HR professionals and their staffs.

Add value to your global operations and find answers to your toughest questions!

Strategic White Papers

Regular white papers provide single-issue focus on the issues that matter most to you, including strategic planning and effective management. Reports are produced by BNA and top law firms from around the globe.

News & E-mail Updates

Stay alert to new developments that could affect your strategic international HR decisions. You'll get updates regularly via e-mail as news breaks around the globe.

The screenshot shows the website's navigation menu with links for Home, About Your Membership, Request Custom Research, Contact Us, and a search function. Below the menu are sections for News, Strategic White Papers, and Analysis. A central feature is the 'From the Custom Research Desk' section, which includes a search bar and several research topics such as 'What are the tax implications for an employee who had been assigned to work in Mexico...', 'What type of benefit plans are being offered by U.S. or European multinational companies that operate businesses in China?', and 'What are U.S. employers' responsibilities for non-U.S. residents' local tax?'. The right sidebar contains links for 'About Analysis', 'Country Primers', 'International Labor Law', 'Paul Hastings "China Matters"', 'U.S. Dept. of Commerce Country Guides', 'Upcoming Webinars', and 'Past Audioconferences/Webinars'.
