## Privacy & Security Law Report

Rely on BNA's *Privacy & Security Law Report* for the most comprehensive weekly coverage of privacy and security legal news — from Capitol Hill and federal agencies to state, federal, and international court rulings, as well as rapidly changing state privacy law and timely data protection updates from around the globe.

Each week, our team of experienced national and international reporters and privacy law experts bring you in-depth, accurate coverage of key legal developments affecting data protection, enforcement and compliance, employee monitoring, breach notification, social media, cloud computing, behavioral advertising, data retention and disposal, corporate security, e-discovery, financial, health care, consumer and children's privacy, and much more.

### With *Privacy & Security Law Report*, you can:

- Stay on top of federal enforcement actions, and regulations and guidance from the FTC, banking agencies, SEC, FCC, and HHS.
- Track EU data protection authority enforcement actions and implementation of the e-Privacy "cookie" directive.
- Keep up with the latest privacy developments in Asia, Canada, Latin America, and the Middle East.
- Benefit from practical, "how-to" analysis and guidance in *BNA Insights* articles, written exclusively for BNA by top domestic and international privacy attorneys.
- Follow privacy/security-related court rulings, including updates on key litigation and settlements.
