### Analysis and Perspectives

- *BNA Insights* articles and videos feature perspectives from expert tax professionals and thought leaders on judicial, regulatory, and legal developments
- Analysis and perspective from our expert editorial team on important news developments

### Outlooks

- An annual *Tax and Accounting Outlook* special supplement written by our expert editorial staff which provides insight into the legislative and regulatory arena for the upcoming year

“The *BNA Daily Tax Report*, with its balanced coverage, is the way I stay abreast of what’s happening. And if I need to more deeply understand an issue that’s come up, I go straight to the BNA Portfolios. With the Portfolios, I understand the history and the application, and the analysis can also lead me wherever else I need to go. BNA is simply a fundamental tool for what I do.”
