

## IRS Practice Adviser

Practical guidance covering everything tax practitioners need to know to effectively handle clients' post-return problems with the IRS.

The most practical and comprehensive guide available, *IRS Practice Adviser* clearly explains IRS procedure and offers guidance on what to do at every step of an audit, appeal, collection, or litigation.

### Format & Frequency

Available online.

*IRS Practice Adviser Report* editions published monthly.

### Benefits

- Survive an audit with confidence — the *Adviser* provides a thorough breakdown and analysis of the entire audit process, from examination to tax litigation and collection.
- Identify strategies for maximizing taxpayer opportunities and reducing clients' penalties.
- Stay up to date on current developments and learn from the experts how to adapt to them.
- Make better decisions based on insights from experts who discuss the latest court decisions and IRS rulings, announcements, and regulations, and what they mean for you.

### Expert Analysis
