

IntelliConnect is organized by content groups. BNA Tax Management content is available for Accounting, Federal Tax, Financial & Estate Planning, International Tax, and State Tax.

BNA Indexes

The Browse path for BNA Federal Indexes is: Browse|Federal Tax|Federal Tax Editorial Content |Topical Indexes|BNA Topical Indexes. Note the graphic below begins at the BNA Topical Indexes level of the path.

Portfolio Keyword Indexes

1. Expand the U.S. Income Portfolios Master Index to the U.S. Income Portfolios Keyword Index and choose an alphabetical letter corresponding to a research topic. (e.g., A for Abandonment)

2. Click the topic heading and select the pertinent subtopic, click the Portfolio number to access the full text Portfolio content.

IRC Coverage in Portfolios Index

Locate Analysis in BNA Portfolios by Code Section:

1. Browse Federal Tax|Federal Tax Editorial Content |Topical Indexes|BNA Topical Indexes|BNA TM IRC Coverage in Portfolios Index|IRC Coverage in Portfolios Index.
2. Drill down and click an IRC section number to access the list of subtopics. (e.g., §48 for Energy Credit).
3. Click the linked portfolio number to display the query results from the referenced Portfolio. The blue text links to full text.

Note: For the BNA IRC Coverage in Portfolios index, Intelliconnect loads a partial list of IRC Code sections in the LEFT pane. To view the complete list of IRC Code sections, click the checkbox next to the index title in the LEFT pane, and click the Show document list to print or save button (located in the upper right of the LEFT pane). The RIGHT pane reloads with the entire list of code sections.

News & Developments

BNA news services, reports and journals are available in the Tax News, Journals and Newsletters browsing menu. The menus are arranged by subject areas: Federal Tax, State Tax, International Tax, Accounting and Auditing, and Financial and Estate Planning.

1. Click Browse and drill down Tax News, Journals and Newsletters to view the BNA products identified by the BNA logo
2. To sign-up for Highlights or subject-specific e-mail delivery from the BNA Daily Tax Report, click Tracker News in the Quick Bar click Add/Modify Trackers, and select BNA Daily Tax Report in the Tracker setup window.
3. Click Add/Modify Trackers (located at the bottom of the screen). The selection is listed in the left frame with the heading My Tracker Selections.
4. To specify subject selections, click the target icon next to the title listing in the right frame, and the Tracker Customization window displays. Make your selections and click OK.
5. To choose specific formatting and delivery options, click at the top of the right frame.

BNA TaxCore for Hard-To-Find Tax-Related Documents

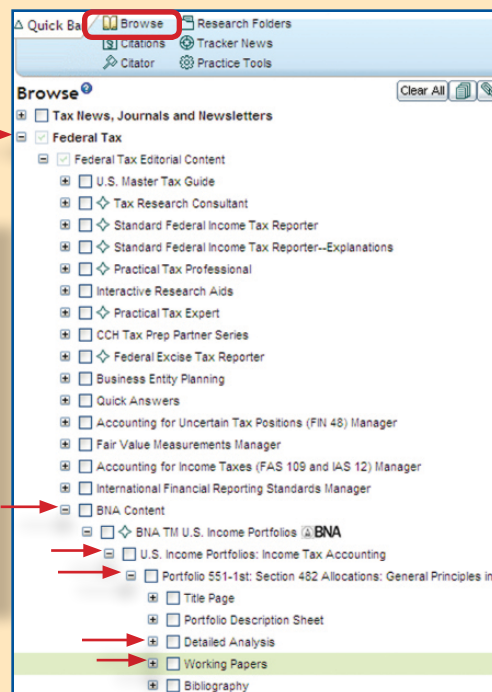

TaxCore is a comprehensive database of full text tax-related documents from Congress, the IRS, and additional sources of hard-to-find tax-related documents.

The Path for BNA TaxCore: Browse|Tax News, Journals and Newsletters|Federal Tax|BNA TaxCore.

Browse to BNA Portfolio Expert Analysis and Working Papers

The five Tax & Accounting Portfolio groups, all include Working Papers.
To locate Federal Tax Expert Analysis and the Working Papers:

1. Click **Browse**|Federal Tax|Federal Tax Editorial Content|BNA Content |BNA TM U.S. Income Portfolios
2. Drill down through the menu tree to the Portfolio Analysis and Working Papers of interest.

Drill Down Paths to BNA Portfolio Content:

Drill down the **Browse** menu:

for BNA Accounting and Audit - Accounting and Audit|BNA Content|BNA TM Accounting Policy & Practice Series.

for BNA Estate Planning - Financial and Estate Planning|BNA Content|BNA TM Estates, Gifts & Trusts Portfolios.
