

Bloomberg BNA

SEARCH MY BNA CROSS-PRODUCT SEARCHING

How-To Card

Search across all Bloomberg BNA products registered under a username and password with our cross-product search functionality.

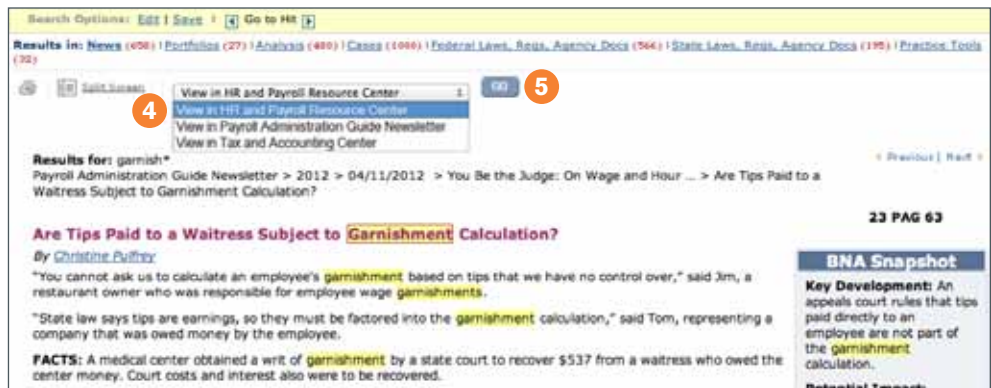

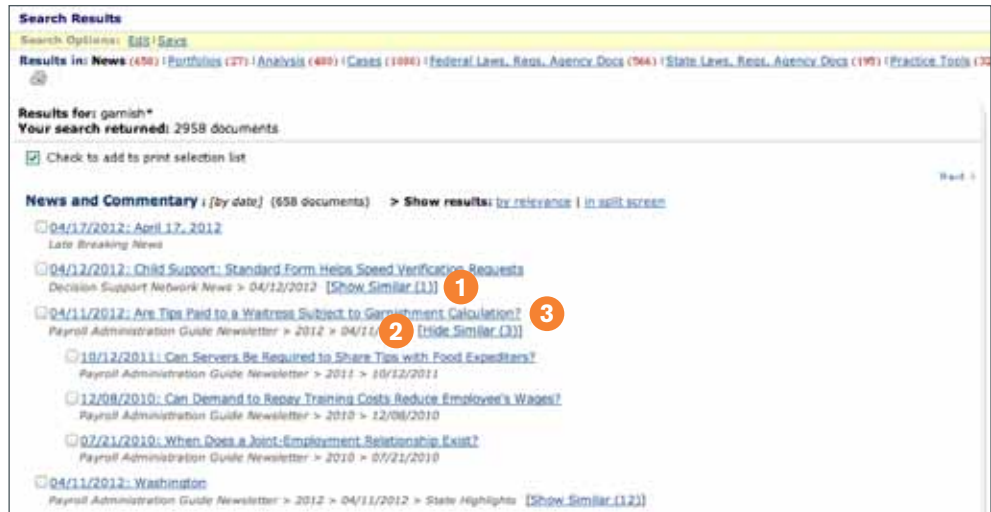

- 1 Cross-Product Search**
To access the cross-product search function, click 'Search My BNA.'
- 2 Click 'Sign in for Additional Content'** to include subscriptions with different usernames and passwords from the one used with your original sign-in. (Optional)
- 3 Subscriptions are arranged by product category.** Drill down a product category and either select individual product(s), or click the checkbox next to a category name to select all products included in a category.
- 4 Enter search term(s)** and set an optional date restriction.
- 5 Click 'Search.'**

SEARCH MY BNA CROSS-PRODUCT SEARCHING

SEARCH RESULTS

- 1 Search results may list similar documents from other titles.
- 2 Click the 'Hide Similar(X)' link to hide the document list displaying the similar documents.
- 3 Click a document title to view the full text of the document.
- 4 View a document in its original source publication to access full functionality, e.g.: 'Share' and 'Add to My Folders.'
- 5 Click 'Go.'
- 6 Viewing the article in the original publication accesses the full functionality including 'Share' and 'Add to My Folders.'
