

Telecommunications Law Resource Center™

Content Organized by Topic

Each of these tabs and icons will take you to a separate Home Page with BNA content focused on a major area of telecommunications law.

Communications Laws & Rules

Full text of the most important statutes and current FCC rules and regulations as codified in Title 47 of the Code of Federal Regulations, fully annotated with historical notes that link the researcher to the full text of the orders that enacted or changed the rules.

Practice Tools

Exclusive at-a-glance calendars that apprise you of important dates and deadlines in rulemaking proceedings, with links to the full text of relevant Notices of Proposed Rulemaking; a listing of FCC Forms; and links to the FCC Phone Directory and Daily Digest.

Headnote Finder

Instantly find the cases you need with BNA's exclusive headnotes and topical classification scheme. (See reverse side.)

BNA Insights

In-depth articles and videos from leading practitioners provide insight into legal developments.

FCC Rulemaking Notices

Quickly locate documents issued in FCC rulemaking proceedings, including NPRMs, Notices of Inquiry, and Public Notices, with an archive dating back to 1964.

Latest Telecommunications News

Get the latest news from BNA's **Telecom Law Report™**

FCC Record

Browse the officially paginated versions of documents published in the FCC Record since 1986. Locate documents by name, citation, or FCC document number.

Operator	Definition
and (or a blank space)	and
or (or)	or
not	not
near/N	within N words
/s	in the same sentence
/p	in the same paragraph
?	replace one character
*	replace zero or more characters at the end of the term phrase
"xxx"	

Advanced Search

1. To search Communications cases and decisions, select **Advanced Search** either from the link in the banner, or from the "Search this tab" link near the top of the topical home pages.
2. Make sure you are searching the appropriate content.
3. If not, **edit** selections.
4. Enter words or phrases.
5. Use **Search Operators**.
6. Limit searches to specific fields, if desired.
7. Restrict search by **date**, if desired.

The screenshot shows the homepage of the Telecommunications Law Resource Center. At the top, there is a navigation bar with links for Home, About, Settings, Contact Us, and a search bar. The main content area features a "Telecom Law Report" section with "Hot Topics" and "Recent Topics" lists. A "Key Features" section highlights analysis and reporting, special reports, and calendar of events. The page is designed with a professional, clean layout using a blue and white color scheme.

Access the **Telecom Law Report™** home page from the Latest Communications News box at the top-right of the Resource Center.
