Payroll Administration Guide Newsletter
Bloomberg BNA’s respected biweekly news service, the Payroll Administration Guide Newsletter, keeps you on top of payroll-related developments in Congress, Internal Revenue Service rules, Social Security Administration guidelines, and state wage-hour and employment tax issues.

State Quick Reference Charts
This reliable tool provides targeted information and guidance on the latest payroll requirements in specific states to streamline the work of payroll professionals and keep them up to date on the latest critical changes.

Interactive Forms
Streamline your work with instant access to more than a thousand interactive federal, state and local forms, many of them calculable. Locate new hire forms and procedures for other states where you do business.
Start your free trial today.

Make decisions with confidence.
Learn how changes in payroll procedures and industry trends will affect your operations with the Library’s easy-to-understand explanations of complex issues to assist both experienced and novice practitioners.

Control costs.
Avoid penalties with federal, state and local agencies with our detailed comparison charts of federal and state laws, including taxability of wages and benefits, and other helpful features exclusive to the Library.

Maintain compliance.
Refer to full text and clear analysis of the Internal Revenue Code, Treasury and wage-hour regulations, numerous tax treaties, and significant federal and state employment provisions governing the workplace to ensure you are fully compliant.
