Acknowledgements

We wish to extend our thanks to the many human resource professionals who participated in the Bloomberg BNA survey that provided the basis for the Guide to Paid Leave Practices. The report would not have been possible without the willingness of our survey respondents to complete the questionnaire and share with us information regarding their organizations’ policies and practices.

As always, we also are very grateful for the diligent, conscientious and professional work of Fonda Jarrett, Mike Wright and other individuals in the Production Department who had a role in the layout, production and publishing of this report.
