Bloomberg BNA Tax & Accounting

Federal Tax

Your single comprehensive source for federal tax news, research, analysis and practice tools.

1. Search keywords or citations for federal news, regulations or developments.

2. The GO TO section offers easier, faster access to Tax Management Portfolios™ by number or name.

4. Easily find the information you need with our Forms, Sample Documents, Quick Reference and more.

6. The GO TO section offers easier, faster access to federal source documents by citation.

8. Access IRS documents, such as revenue rulings, notices, private letter rulings and much more.

9. Reference the full text of federal and state tax cases. Review how other courts have treated your case with BCite™, our proprietary citator. BCite also offers custom search alerts with the ability to receive new results on your search with emails via the Citation Alert.

10. Get the most comprehensive, timely and well-respected coverage of changes in tax law and understand their implications with the Daily Tax Report™ and tax news reports and journals.
Federal tax law is becoming more complex in today’s ever-changing economy. Your choice of research tools could mean the difference between seizing greater tax opportunities or leaving your company and clients exposed to higher risks.

**Bloomberg BNA Tax Management Portfolios**

The Bloomberg BNA Tax Management Portfolios™ are the definitive source for in-depth analysis of specific tax topics, each written by one of the pre-eminent practitioners in the respective topic area. Get insightful, expert analysis from leading federal tax authorities for developing and implementing complex federal tax strategies and providing exceptional guidance to your client or organization.

**Transactional Diagrams**

Gain a better understanding of important patterns in a visual format and save time while conducting research with access to more than 800 Transactional Diagrams. Each diagram is presented in a clear format and includes a summary of relevant facts and links to the source documents as well as IRC and regulation sections cited in the source document.
For practitioners, by practitioners.

**BCite Case Analysis**

Bloomberg BNA’s proprietary case citator now includes Agency Documents. Leverage our proprietary citator to track the history of tax cases and rulings throughout the legal process. You can now see, at a glance, whether cases and rulings are still valid and access related materials with similar facts or laws.

**BNA Curated Recommendations**

Access the information you need more easily and faster using BNA Picks, our enhanced search functionality that provides related keywords and quick links to the most relevant Tax Management Portfolios™, code sections, regulations, Fast Answers, news and practice tools, all expertly curated by our tax editors. Tax editors have highlighted key content for nearly 1,000 major federal, state and international tax topics, plus states and countries.
