Bloomberg BNA Tax & Accounting

State Tax

The most practitioner-focused state tax news, analysis and practice tools available.
Bloomberg BNA Tax & Accounting

State Tax

Your single comprehensive source for state tax research and practice tools.

1. Search keywords or citations for state-level news, regulations or developments.
2. Jump directly into developments, statutes, code, cases and developments for your selected state.
3. Benefit from comprehensive state-by-state tax analysis to provide you with unparalleled expertise, and in-depth guidance across all tax types, industries and state tax topics for all 50 states, D.C. and New York City.
4. Nearly everything is chartable, with over 850 Sales & Use Tax, 800 Corporate Income Tax, and 1700 Pass-Through Entity topics that specify criteria on a state-by-state basis. Plus, you can toggle between long and short answers.
5. Get practical analysis for developing and implementing complex state and multistate tax strategies.
6. Easy access to state tax forms and instructions.
7. Comprehensive access to statutes and regulations, rulings and official material, full text of state court cases, and more.
8. Access ongoing news and insights from leading state practitioners and our award-winning editors and reporters. You can also track and summarize daily state tax developments across a full range of tax topics with the State Tax Developments Tracker.
The expert’s source.

As state taxes continue to grow in complexity and importance, practitioners need a resource that not only informs them of the law, but helps them understand how to apply those laws to their company or client accurately, develop appropriate tax plans and defend positions taken in prior years.

Exceptional Quality
Explore in-depth, practitioner-focused multistate analysis, as well as single-state perspectives with the State Tax Navigators, high-quality news, comprehensive primary sources and superior time-saving practice tools, all on an easy-to-use platform.

Chart Builders
- NEW! Pass-through entities (1700 topics)
- NEW! Unclaimed property tax
- Corporate income tax (800+ topics)
- Individual income tax
- Sales and use tax (850+ topics)
- Excise tax
- Property tax
- Taxation of estates, gifts, and trusts

Our chart builders enable you to create charts instantly on everything from apportionment and filing requirements to penalties and tax rates, and specify criteria on a state-by-state basis. You can also toggle between short and long answers on your chart.

Practice Tools
Easily access the data you need with our chart builders, Sales & Use Tax Rate Finder, State Tax Client Letters, and State Tax Nexus Tools.
For practitioners, by practitioners.

Planning Points
Benefit from state-by-state analysis with Planning Points and examples offering practical guidance from expert practitioners.

State Tax Developments Tracker
Track and summarize daily state tax developments across a full range of tax topics. Selectively filter on jurisdiction, topic, type of tax and date range to easily track developments that are of most interest to you. The tracker also offers a customized e-mail feature that allows users to filter e-mail notifications by preferred topic, jurisdiction and/or type of tax document titles only.

Practice with Confidence
Know that you’re up to date on state tax developments through daily and weekly state and local tax coverage, expert analysis, practitioner perspectives and comprehensive primary source material.

Access Primary Sources
Comprehensive access to statutes and regulations, full text of state tax court cases, rulings, state tax forms, and more.
