

Bloomberg BNA

ENVIRONMENT & SAFETY RESOURCE CENTER Quick Reference Card

1 Content Organized by Topics and Tools

Each of these tabs takes you to a separate page dedicated to a distinct collection of information or a specific tool.

2 Latest Developments

Quick, convenient access to important EHS news from your Bloomberg BNA subscriptions, customized to match the content of each tab of the Resource Center (Federal & State, Cases, and International). If you are not a subscriber you will see editor-selected headlines from Bloomberg BNA's acclaimed EHS publications.

3 BNA Analysis

These proprietary Bloomberg BNA guides provide business-English explanations of EHS topics, with comparisons of federal and state regulatory requirements.

4 Chart Builders

Use topic-specific customized chart builders to compare Federal, and/or State requirements.

5 Safety Tools

Easy-to-use safety tools including MSDS Management.

6 Search Templates

Access to all search templates, **Search History**, and **Saved Searches**.

7 Federal

Full text of over 65 EHS statutes, a focused collection of federal regulations relevant to EHS needs, and thousands of agency guidance and administrative documents.

The screenshot shows the Bloomberg BNA Environment & Safety Resource Center website. The navigation bar at the top includes links for Home Page, Site Map, Preferences, My Folders, Account Profile, Getting Started, About, Contacts, Help, and Sign Out. The main content area is organized into several sections:

- 1 Federal & State:** A tabbed navigation menu with options for Case, Compliance Tools, International, Indoor & Pesticide Acts, Decision Support Network, Daily Environment Report, and Other EHS Notification Services.
- 2 Latest Developments:** A section titled "Daily Environment Report Home" featuring news items such as "Congress Moving on Keystone Bill Despite White House Veto Threat", "Pallone to Defend Obama on Environment, Sees Room for Compromise", and "Clean Power Plan Has Flexibility to Ensure Grid Reliability, Official Says".
- 3 BNA Analysis:** A section listing various guides like "Air Pollution Control Guide", "Environmental Due Diligence Guide", "Green Incentives Navigator", "Quarterly Outlooks", "Right-to-Know Planning Guide", "Safety Guide", "Sample Safety Policies", "Spill Reporting Procedures Guide", "Waste Management Guide", and "Water Pollution Control Guide".
- 4 Chart Builders:** A section offering tools for "Air Pollution Control", "Environmental Due Diligence", "Green Incentives", "Regulatory Summary Report", "Right-to-Know", "Safety", "Spill Reporting Procedures", "Waste Management", and "Water Pollution Control".
- 5 Safety Tools:** A section listing "EHS Forms", "ANSI Standards Scopes", "NFPA Document Catalog", "MSDS Management", and "BNA Trainer".
- 6 Search:** A search bar at the top right with options for "SEARCH HISTORY", "SAVED SEARCHES", "SAVED CHARTS/REPORTS", "ADVANCED SEARCH", "SAVED SEARCH", and "GO TO".
- 7 FEDERAL:** A section for "Federal Regulations (CFR)", "Federal Statutes (USC)", "Guidance/Agency Documents", and "Executive Orders". It includes a "Go to CFR" search box and a "Search Federal" button.
- 8 STATES:** A section for "States" with a dropdown menu to "Select a state" (currently showing "Alabama") and radio buttons to "Choose a collection": "Environment Laws & Regulations", "Safety Laws & Regulations", and "Register Summaries". It includes a "GO" button and a "Search States" button.
- 9 OTHER RESOURCES:** A section listing "Safety Resource Center", "EHS Federal Regulatory Alert", and "EHS State Regulatory Alert".

Additional sections visible include "FROM THE EDITORS" (with links to EPA Revitalization Handbook, NIOSH Pocket Guide, and SEC Climate Disclosure Search), "RECENT CHANGES" (with links to Resource Center Update and State & Federal Register Updates), and "SUBSCRIBER FEEDBACK" (with a text box and "SUBMIT" button). A footer box contains the text "Track & verify recent changes to federal regulations" and a "Learn More" link.

8 States

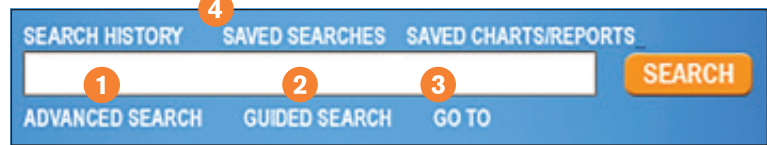

Environment and safety laws, regulations, and register summaries. Search all states simultaneously using the **Quick Search** template.

9 Other Resources

Link to Bloomberg BNA's selection of premier EHS services, including safety.bna.com[®], *EHS State Regulatory Alert*[™], and *EHS Federal Regulatory Alert*[™].

SEARCH TOOLS

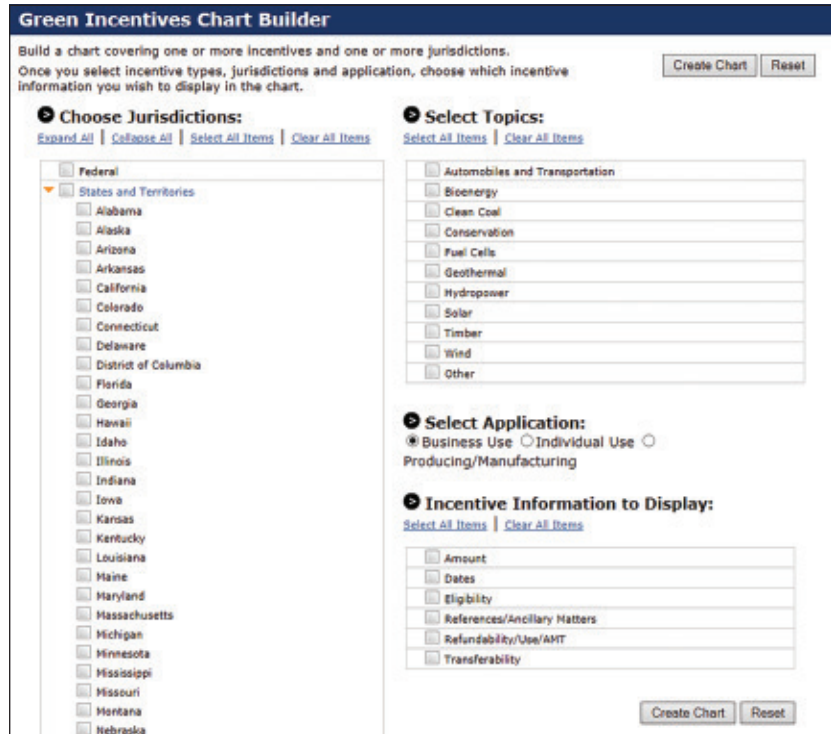

Varied search options accessible from the banner located at the top of each web page allow you to search the Resource Center's content according to your needs. Search all collections included in your subscription.

- 1 Advanced Search**
Search in broad or specific collection(s) using fields, search operators, and/or date restrictions.
- 2 Guided Search**
Subject-based, tabbed templates for easy access to a specific collection.
- 3 Go To**
Go directly to a **Source Document** or case by citation.
- 4 Saved Searches, Charts or Reports**
Click **Saved Search** or **Saved Chart/Reports** to view the list of saved work. On the list, click on the **Name** to return to the full text or search results.

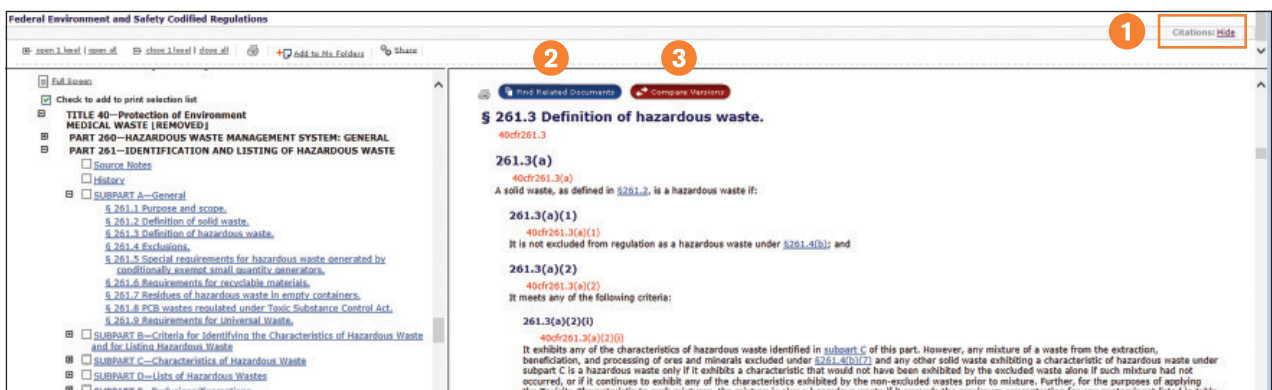

CHART BUILDERS

For each subject-specific chart builder, select **Federal** and/or specific **States, Topics,** and customized display options.

SPECIAL FEATURES

- 1 Red Reference Lines** - Complete citations are available down to the lowest level in federal and state laws and regulations and for Bloomberg BNA Analysis chapters. To display Red Reference Lines, use the **Citations** toggle to turn them on and off.
- 2 Find Related Documents** - Display documents related to the document or section of a document being viewed.
- 3 Compare Versions** - Compare versions of federal or state regulations to see how they have changed or been amended over time.
