PRIVACY & DATA SECURITY LAW RESOURCE CENTER™
Quick Reference Card

1. Content Organized by Topic
   Each of these tabs and icons takes you to a separate home page with customized privacy and data security content.

2. Legal Analysis

3. Federal Laws & Regulations
   A comprehensive collection of federal statutes, regulations, and agency documents.

4. State Laws
   State statutes and enforcement actions, with helpful interactive maps covering five specific topic areas to help stay compliant.

5. International Content
   Full-text laws and regulations for countries worldwide (in native languages), and multilateral organizations, with extensive links to sources in over 50 countries. The International Data Protection Requirements Chart Builder is also included.

6. Time-Saving Search Functionality
   Quickly find significant cases, news, primary sources, and more with easy to use search capabilities.

7. Industry-Leading News

8. BNA Insights
   In-depth articles from leading practitioners and industry experts provide unique perspectives into the latest developments in privacy and data security.

9. Practice Tools
   Chart builders, checklists, forms, and a glossary of privacy law terminology.
ADVANCED SEARCH TOOLS

To search specific areas of content within the Resource Center:
• Under Choose collection to search, select a collection (Portfolios, Analysis, Treatises, Cases, News, etc.)
• Use any or all of the available options to refine your search.
• Click SEARCH.

STATE LAW MAPS

The Resource Center’s interactive map-based tools allow you to retrieve state statutes pertaining to Breach Notification, Data Disposal, Data Security, Electronic Surveillance, and Statutes Restricting Use of SSN.
In the State Law frame on the Home Page, open a map by clicking on the available statute subject.
